Jeremy,

I have had a chance to review the material that you submitted and I have some thoughts. I wanted to discuss them internally here before I sent them on to you. I will hopefully have a chance to do that this week.

David,

I was wondering if you had made any progress into the information that I had sent to you about the CAM determinations. We are at a point where we need to decide if we are going to push this issue to hearing or move on with the company's wishes and would like Region 7's input.

Thank you again for your offer to look into this for us.
